Light of Chance, Inc. presents, Save the Dream Part II: Credit & Debt Management Workshop

MADISONVILLE, KY - Light of Chance, Inc. presents "Save The Dream Part II: Credit and Debt Management Workshop," sponsored Comfort Inn & Suites on Saturday, **November 13th from 10 a.m. to 12 p.m.** The event will take place at **Comfort Inn & Suites**, 545 Powell Drive in Madisonville. Admission is free. Prospective participants are encouraged to RSVP due to limited seating.

The workshop is designed to address the myths and misconceptions of credit and debt. Participants will gain financial literacy in the areas of credit scores, credit repair, homeownership and foreclosures. Participants will learn how to establish or re-establish credit, manage debt, meet financial goals and attain financial freedom.

After having such great success with the workshop in March, Light of Chance, Founder and Executive Director, Eric C. Logan, decided to continue the series.

"Part I was excellent. Those who attended received a great deal of information and assistance to help them manage and improve their finances," Logan says. "Part 2 will be equally as informative and beneficial."

"No matter where you are or where you want to be, financially, this workshop has something that you can incorporate into your life to have a better financial future."

Returning as the workshop's facilitator is credit counselor and educator, J.D. Jewell, a principal broker at Jewell Real Estate Group.

This program is representative of Light of Chance, Inc.'s efforts to empower and inform those at risk in the Madisonville community. The organization's core belief is that as individuals become more knowledgeable, communities will improve and prosper. Those interested in attending the workshop can RSVP by email at info@lightofchance.org, or via phone at (270) 904-0136 or (270) 339-0717.
